

## Woodlands Primary School

**Miss Hughes**  
**Year 3**  
**3HH**

Hi everyone! I am Miss Hughes and I'm extremely excited to be returning to Woodlands Primary School as your year 3 teacher.

I am passionate about history and maths as these were my favourite subjects when I was at school. I love my job of teaching and I can't wait to find out which subjects you enjoy and to make the learning as enjoyable as possible.

When I am not in school, I enjoy spending time with my friends, family, and my little girl Felicity. I also love to spend time going on walks and exploring the outdoors (when the weather is sunny!!).

I am very excited to be your Year 3 teacher. My wish for our classroom is to be friendly, filled with joy and to have fantastic teamwork. I can't wait to meet you all!

## Woodlands Primary School

**Mrs Barrett**  
**3LB**

Hello, my name is Mrs Barrett and I am so excited to be your new year 3 teacher.

This will be my 5th year working at Woodlands and I am very much looking forward to coming over to the juniors with you. I cannot wait to get to know more of you and learn all about the things that you love. There will be some familiar faces for me too! We've lots of interesting topics to discover, including coastal areas and the creatures found there. I'm delighted to share your learning journey and watch you grow in all subjects. I lead music across school so be prepared for lots of singing and composing with musical instruments, including violins.

Here's a little bit about me. I love running. I have run 4 marathons and I lead a running group every week in Chester. When I don't compete in races, I'm a keen member of the active leisure events core support team on race days.

I've got two puppies, who I love to walk on the beach and a cat, who came back with me after 3 years in Melbourne, Australia. I love to learn new things and have recently taken up floristry and Spanish classes.

Bring on September so we can embark on Year 3 together - I can't wait!

## Woodlands Primary School

**Mrs Williams**  
**3/4LW**

Hi! I am Mrs Williams and I have been working at Woodlands Primary School for 17 years now. After teaching in Early Years and Key Stage 1, I am excited to be coming over to Year 3/4. In school, I lead Lower Key Stage 2 and Phonics and am passionate about every child becoming a reader. I have lots of exciting topics ready for you to learn this year including, 'Ancient Egypt' and 'The Stone Age.'

When I am not in school, I play netball every week and love to go exploring at the beach or in the woods with my two daughters Ffion, age 11 and Elin, age 7. We love to be outside – whatever the weather! We have had many days out cycling, crabbing, climbing mountains, paddling in rivers and getting covered in mud!

I am very excited to be your Year 3/4 teacher, discovering your hopes and dreams and having lots of fun learning helping you to be the best that you can be!

## Woodlands Primary School

Hello! I am Miss Woodland and I have recently spent time in Primary School teaching in Year 3/4 and Year 1/2.

Woodlands

I am going to be your new Year 4 teacher and I cannot wait! I know we will have lots of fun whilst learning new and exciting things. I have two favourite subjects and they are maths and art. I love being creative and learning new techniques in art, but I also love to problem solve in maths. I am really excited to watch you grow throughout the year and be part of your Year 4 journey. I am especially excited for the residential that we have planned and seeing what adventures we find.

When I am not in school you will find me out and about with my daughter Isabelle, who is also going into Year 4 in a different school. We love to go on days out to the beach and explore in our local woods with our dog, Smithy. Going to Parkgate in the evening for chips and ice cream is something we do when we want to relax together because who doesn't like chips and ice cream?!

I cannot wait for a fun-filled year with you and to get to know all of your hopes and dreams.

Let's create new, exciting memories together.

## Woodlands Primary School

**Mrs O'Hara**  
**4RO**

Hi! I am Mrs O'Hara and I have been working at Woodlands Primary School for ten years now. After a while teaching in Upper Key Stage Two, I am excited to be back in Year 4. In school, I mentor University students who want to become teachers and also support Early Career Teachers through their new journey. I have lots of exciting topics ready for you to learn this year including, 'Ancient Egypt' and 'Stone Age.' I also enjoy reading and history as these were my favourite subjects when I was at school.

When I am not in school, I am usually reading a good book on my kindle with a coffee and cake, running around after my three lovely nephews or doing some shopping at Cheshire Oaks! I also like to spend as much time as I can visiting my family and friends.

I am very excited to be your Year 4 teacher and cannot wait to have lots of fun learning together and helping you to blossom into the best you can be!
