

Woodlands Primary School

Miss Roberts
Class 3DR

Welcome to the juniors!

Hi! I am Miss Roberts, and this will be my fourth year teaching at Woodlands Primary School and I am so excited to be working at Woodlands for what will be another fantastic year!

I am passionate about teaching all subjects but I particularly enjoy physical education, and I am very proud of leading the subject and all things sport across the school. I believe that physical activity should be at the heart of all learning to support our personal and academic development.

When I am not in school, I like to keep myself busy with exercise and going on long countryside walks. I also enjoy travelling to new cities and countries, and spending time with my family and friends.

I can't wait to continue our learning journey together next year and learn about everyone's hopes and dreams. It is going to be a very exciting year!
