

## Woodlands Primary School

**Mrs O'Hara**  
**Year 5**  
**5RO**

Hi! I am Mrs O'Hara and I have been working at Woodlands Primary School for eight years now. I am the science co-ordinator across the school and love to do lots of experiments to learn more about the world we live in. I also enjoy reading and history as these were my favourite subjects when I was at school. I have lots of exciting topics ready for you to learn this year including, 'Mountains rock, Rivers roll, Vikings and Eco-Warriors.

When I am not in school, I am usually reading a good book on my kindle with a coffee and cake, running around after my three lovely nephews or doing some shopping at Cheshire Oaks! I also like to spend as much time as I can visiting my family and friends.

I am very excited to be your Year 5 teacher and cannot wait to have lots of fun learning together and helping you to blossom into the best you can be!
