

WOODLANDS PRIMARY SCHOOL

PARENTAL PERMISSION FOR SCHOOL ACTIVITIES

Dear Parents & Carers,

Please indicate below if you 'give' or 'do not give' your permission for the following activities that take place regularly in school and **return this form to school**. This information is only collected once, when your child joins Woodlands, so will be applicable for their time here, unless you inform us otherwise.

- **HOME & SCHOOL AGREEMENT**

You will have received, as part of your new starter pack, our Home & School Agreement. Please sign below to confirm that you have read this and shared expectations with your child.

I do / do not confirm that I have read, understood and shared the Home & School Agreement with my child.

- **LOCAL VISITS**

There are occasions during the school year when we would like to take children out of school to study aspects of the local area or to take part in sporting events/competitions etc. Such visits are well supervised and will probably involve a library visit or to local shops, church, park or high school etc. We will, of course, notify you separately of any visits further afield.

I do / do not give permission for my child to attend local visits undertaken during the school day.

- **COMPUTING SAFE USE**

Please confirm that you have read the Computing Safe Use Agreement and shared this with your child. In addition, the school sometimes uses digital media (video clips etc) to enhance learning, please indicate your permission below.

I confirm that I have read and understood school's 'Safe Use Agreement' and shared it 'age appropriately', with my child. **I do / do not give permission** for my child to use computers and internet connection in school for learning, and to access digital media, as deemed appropriate by the class teacher.

- **USE OF IMAGES**

We often take photographs and videos of children in school and use them in books and displays internally, on the school website, Facebook or Twitter accounts and in promotional material, such as brochures or the local press. The children are very enthusiastic and love to see their photos/work on display. No surnames are used with a photograph published externally without separate consent. Before we take a photograph we need written consent in order to comply with the Data Protection Act. *Please note that if you do not give permission, then your child will not be allowed to take part in photographs/videos of their class.*

I do / do not give permission for my child to be photographed & videoed and the images used by the school as above.
