## **WOODLANDS PRIMARY SCHOOL**

### **SOCIAL MEDIA POLICY**

Woodlands Primary School recognises that many staff, governors, parents, carers and pupils use the internet for personal purposes and that they may participate in social networking on social media websites such as Facebook, Twitter, Snapchat, Youtube etc. In addition, staff, governors, parents and carers may set up personal weblogs or 'blogs' on the internet.

**Whilst staff, governors, parents and carers are free to use the internet in this way - in relation to the school, they must ensure that they do not:**

- breach the law or disclose confidential information
- breach copyright
- defame or damage the good name and reputation of the school, its staff, governors, parents, carers and pupils
- disclose personal data or information about any individual that could breach the Data Protection Act 1998 or Woodlands E-Safety policy

**They must keep completely confidential any information regarding the children, their families or other staff which is learned through the school.**

The purpose of this policy is to outline the responsibilities of staff, governors, parents and carers setting up personal websites and blogs and using social networking websites.

Woodlands Primary School currently has a Twitter account and Facebook page. This policy relates to material posted on public areas and those restricted to certain individuals.

### **SOCIAL MEDIA DEFINITION**

Social media technologies take on many different forms including magazines, Internet forums (message boards), weblogs (blogs), microblogging (Twitter, Reddit), social networks (Facebook, Myspace, etc), podcasts, photographs or pictures, video and virtual game worlds (Moshi Monsters, Club Penguin, etc).

### **WEBSITES AND BLOGS**

The following guidelines apply:

- Staff, governors, parents and carers must not disclose any information that is confidential to the school or any third party that has disclosed information to the school.
- Staff, governors, parents and carers should not link any personal websites, social networking sites etc to the school's website.
- Staff, governors, parents and carers must not use the school website, internet systems, e-mail addresses or intranet for their own personal use.
- If a member of staff, governor, parent or carer is asked to contribute to an official web page, blog or social media site connected to the school, then special rules will apply and they will be told in detail how to operate and what to write.
- Woodlands Primary School will not tolerate criticisms through social media websites and blogs. If a member of staff feels aggrieved then they must follow the procedures outlined in the Complaints and Whistleblowing Policy.

## **SOCIAL NETWORKING SITES**

The school respects a member of staff's right to a private life. However; the school must also ensure that confidentiality and its reputation are protected.

The school expects all staff, governors, parents and carers to:

- Ensure that they do not conduct themselves in a way that is detrimental to the school.
- Take care not to allow their interaction on these websites to damage working relationships between members of staff and clients of the school.

## **IMPORTANT CONSIDERATIONS**

When writing a weblog and placing information on social networking sites, staff, governors, parents and carers should follow these guidelines:

- Do not include any information that breaches copyright and should link to other material rather than cutting and pasting it.
- Do not defame (libel) anyone. A member of staff, governor, parent or carer who makes a defamatory statement that is published on the internet may be legally liable for any damage to the reputation of the individual concerned.
- Do not include personal information about an individual without his/her consent, otherwise they risk breaching the Data Protection Act 1998, which is a criminal offence.
- Do not include material that is abusive, defamatory, sexist, racist or that could be interpreted as harassment or bullying.
- Do not bring Woodlands Primary School into disrepute.
- Staff should only access social media sites in their own time.
- Staff should not comment on any posts made by others relating to the school.
- Staff should not share or discuss matters relating to the school.
- It is not advisable to invite parents/carers to become your friends on social networking sites. There may be a conflict of interest and security and privacy issues, but where relationships are already established, staff should proceed with caution, being fully aware of the social media guidelines and the teacher's code of conduct.
- Staff should not 'like' Woodlands Facebook page, as this may then share their own personal page with others.
- Staff should not accept friend requests from Woodlands pupils under any circumstances.
- Staff should use the privacy settings available.
- Staff should not share personal conversation.
- Staff should behave respectfully and should not engage in topics that may be considered objectionable or inflammatory such as politics or religion.
