ANIMALS TAKE OVER IN NURSERY

We are very excited to be welcoming ‘Animals Take Over’ into our Nursery classes on Wednesday 14 November, during the afternoon. This visit will enhance our learning about woodland animals, their habitats and behaviours.

We appreciate that your child may not be in school on this day and that you may still like them to be included in this experience. If this is the case, you are more than welcome to bring your child into school for the session, stay with them and take them home afterwards. Foxes session will take place 2.00-2.30pm, Squirrels 2.30-3.00pm.

During the session, the children will be able to look at and have the opportunity to stroke/ handle some of the animals. We would be grateful if you could fill in and return the slip below advising us of any allergies that your child may have. Slips back to school by Friday 8th November please.

Thank you,
The Nursery Team

ANIMALS TAKE OVER – NURSERY – 14 NOVEMBER

Please reply by Friday 8 November

Name of child:..... Class:.....

I would like / not like my child to participate in the Animals Take Over workshop on Wednesday 14 November.

Please indicate below if your child has any allergies to animal fur:
