

Session 5

Challenge

Can you find out lots of facts about giraffes?

You need to find out facts about their:

- Diet
- Appearance
- Habitat
- Behaviour
- Fascinating facts

Here are some giraffe facts to help you:

- **Giraffes** have hearts that are 2 feet long
- A male **giraffe** is called a Bull, baby **giraffes** are called Calves and females are called Cows
- **Giraffes** sleep only five to 30 minutes every day
- **Giraffes** can run up to 35 miles per hour
- These tall animals need a lot of food to keep them going
