

Geography research project

1. Practise naming and locating continents on a world map/atlas.
<https://www.youtube.com/watch?v=nmvw3sTGais>
2. Practise naming and locating oceans on a world map/atlas.
<https://www.youtube.com/watch?v=X6BE4VcYngQ>
3. Locate and label the following countries on a map of Africa: Egypt, Algeria, Botswana, Chad, Gambia, Ghana, Kenya, Libya, Madagascar, Morocco, Rwanda, South Africa, Tunisia, Uganda, Zambia, Zimbabwe, Nigeria, and Ethiopia.
4. Let's focus on Egypt. Use the internet to research Egypt using the grid below.
5. Make an information leaflet to advertise Egypt.
6. Don't forget you can share your research with your teacher. You can email any completed leaflets to your teacher or share them on Twitter.

Location	Physical Features	Human Features	Fun facts
What continent is it in? Name some nearby towns, villages, cities etc.	List and describe physical features of this location. E.g. mountains, hills, rivers, cliffs, coastlines, beaches etc.	List and describe human features of this location. E.g. stadiums, entertainment venues, castles, theme parks, cathedrals etc.	Research facts that make this country unique.
