

Make sure your wardrobes and shelf units are securely fastened to the wall.

Never hang pictures or mirrors over beds or near to where people sit.

Identify a safe place in each room, e.g. under a table.

Breakable items should be stored low down.

Carry out house repairs – fix any electrical problems or cracks in the wall. Make sure children know how to dial 999.

Build up a disaster emergency kit with food, water, batteries, torch and radio. Make sure the family know what to do if they are separated.
