

## Literacy session 1

### Dragons

Our next unit of Literacy work is based on dragons!

What stories do you already know about dragons?

Do you have a favourite dragon story?

Can you remember learning about 'The Dragon Machine' by Helen Ward in Year 2? What was that story about? What did you like about it?

Challenge: Using the picture above, can you predict what the story is going to be about?

Who do you think the dragons are in the picture?

What are they looking at?

Where are they? What could the two dragons be talking about?

What do you think the dragons are doing in the background?
