

Literacy session 5

Dragon potions

As part of our work on dragons your next challenge is to write a potion for making magical dragon eggs.

What would you use to make your magic potion?

- Dragon feathers
- Ruby red diamonds
- Magic dust
- Dragon scales
- A golden princess wand

Instructions to make a magic dragon potion

1. Fill the magic potion bottle about halfway with water from a wishing well.

2. Add a few drops of beetle juice.

3. Sprinkle in some magic dust.

4. Carefully cut up some dragon scales and gently drop them in.

5. Stir in some golden dragon feathers.
