Dragon research

"Dragon Family" in Varna, Bulgaria

Challenge: Can you make a poster about dragons?

Remember to include fascinating facts and images of different dragons!

Here are some facts to help you: The **dragon** is a legendary creature belonging to the world of mythology, story telling and fantasy. There are stories about dragons in Chinese culture, European culture, South American culture, and many others.

Dragons can look like dinosaurs and other extinct animals. Because of that, it is easy to think that those animals might have been an example for dragons as they were thought of in the history of humankind.

There are many kinds of dragons in the different cultures. In general:

- A dragon has: four legs, claws, scales and possibly spikes and wings
- A dragon can look like a snake with wings, or like lizards
- A dragon has a tail and a long neck

- A dragon has a wide mouth with big and dangerous teeth
- Sometimes they have horns and hair
- A dragon can fly
- A dragon can breathe fire
- A dragon has special powers
- Some dragons live in caves
