

Woodlands Primary School

Miss Sayce
1ES

Hello! My name is Miss Sayce and this is my third year working at Woodlands Primary School; I love being part of the Year 1 team!

I enjoy teaching all subjects but I particularly like science as there are so many exciting things to discover. I can't wait for us to learn all about the world around us! I also love reading and some of my favourite children's books are 'Stickman' and 'The Very Hungry Caterpillar'.

When I am not in school, I love to bake tasty treats for my friends and family, as well as grow fruit and vegetables in my garden. I also like to watch football, especially my favourite team, Shrewsbury Town FC.

I am really looking forward to getting to know you all, and starting our Year 1 journey together. I know we will have so much fun and we will learn a lot!
