

## Woodlands Primary School

### **Ms Smith 4KS**

I am Ms Smith and I have worked at Woodlands since September 2020, when I helped lots of different children from all year groups with their learning. Last year I was a Year 3 teacher and I am now very excited to meet my new Year 4 class!

Before training to be a teacher, I worked for over 10 years as a solicitor and I was inspired in 2018 to change my career and do something I really love – helping children to grow and learn. It was the best decision I ever made.

I love all things sports related and I have played a lot of different sports in my time, including football, cricket, hockey and netball. When I'm not running around a pitch or a court, I enjoy reading and spending time with my family, especially on walks outdoors in nature. When I was younger, I learned to dance (ballet, tap and modern) and I still love it now, but I am mostly limited now to a good boogie on a dancefloor!

At school my favourite subjects were maths and history, but I have loved rediscovering all the other fantastic subjects that we teach in primary school. Every day really is a school day for me and I thoroughly enjoy it. I love learning new things and I can't wait to go on an inspiring Year 4 learning journey with my class. I am so excited for a fantastic year ahead.
