

Woodlands Primary School HLTA's

Mrs Coaker

Hello! I am Mrs Coaker and I have been part of the Woodlands team for over 23 years. I have spent most of my time working in Years 5 and 6 and am very happy to say I will be there again this year. I will help support maths and literacy in the mornings and then teach Computing or RE lessons in the afternoon across Key Stage 2. This year I will also be teaching in a Year 4 class which I am very excited about! I love teaching maths and RE and have a passion for computing – this is my favourite subject. After a busy day at school, I go home and spend time with my 4-year-old boy and husband. In my spare time I like to be in the outdoors either playing in the garden, going for a walk or discovering new places. I love to be near the sea and lakes and spend a lot of time exploring in Wales. I also like to read books, bake cakes, and go out for meals when I can. I am very excited to be working with the Key Stage 2 children this year and cannot wait to build new relationships and see the children grow and progress during this year. It is going to be another great year!

Mrs Cummins

Hello, I am Mrs Cummins and I have worked at Woodlands Primary School for four years. I have worked in both key stage one and two but predominantly in upper key stage two. I will be working in Y5 and Y6 as a HLTA supporting children, completing interventions and class cover in both years. When I'm not in school, I am very busy with my two girls Verity and Clara and my very big, slobbery boxer dog called Tilly. I can't wait to work with all the children in both year groups, it will be an amazing, fun packed year!

Miss Keegan

I am Miss Keegan, and I have been a part of the Woodlands family for 15 years. I have worked across all year groups from nursery up to year 6. I am passionate about phonics and creative arts. I am very excited to come and teach your class each week, as well as helping you with your learning. In my spare time I enjoy keeping fit and healthy going on long walks with my dog called Bear and socialising with my family and friends. I am really looking forward to working with you all in Year 3/4. I know we are going to have so much fun together.

Mrs Lyon

Bonjour!

I am Mrs Lyon and I have been part of the Woodlands family for nearly 29 years. This year I will be supporting classes in Y3 and Y4 during the morning and taking PPA sessions in the afternoon in EYFS, Y1 and Y4. My passion is teaching phonics, French and RE and I'm really looking forward to teaching children our new Y3's French. We are going to have great fun learning about French traditions and we'll sing lots of songs as well as speaking, writing and reading in French too! I know our Y3 children have already been learning French so we will be building on what you have already learnt and I can't wait to see how brilliant you are. When I'm not at school I enjoy spending time with my family, especially my six young grandchildren. I enjoy walking, cycling and being outdoors in the fresh air and countryside. I love to go on holiday and explore the world, especially if it's abroad and in warmer places. I am really excited to be working with you, so have a wonderful holiday and I look forward to working with you in September!

À bientôt

Mrs Woodward

Hi! I am Mrs Woodward and I have been part of the Woodlands family for almost 18 years. I have had the pleasure of working in most year groups during this time, which means I get to meet so many of you and watch you grow! I will cover your teacher while they go and do busy jobs and plan exciting things for you to do. I love teaching you about different religions and we also get chance to learn how to use the computers in school. After a busy day in school, I like to go home to relax, usually walking my dog called Alfie, he's very cheeky but we love him. My husband and I enjoy the outdoors. We have recently started to learn paddleboarding, it's very tricky to stand up but we are having lots of fun. I have 2 grown up children, Arron who is a tennis manager at David Lloyd and Megan who works in a busy

accounts' office. I am really looking forward to seeing you all and can't wait to have lots of fun learning new things together!

Mrs Donoghue

Hi! My name is Mrs Donoghue, and I have worked at Woodlands for 24 years, always in Early Years. I live in Ellesmere Port with my husband Paul, and I have two children: Abigail is 27 and Harrison is 24. In my spare time, I love to read, and I am a member of the City of Chester brass band. I play the tenor horn and my husband plays the cornet. I am really looking forward to meeting you all. I know we will have a wonderful year together.
