

## Woodlands Primary School

### SEND/Pastoral Team

#### **Mrs Morphet SENDCo**

Hello, I am Mrs Morphet and I have been the SENDCo at Woodlands Primary School for three years, I love working at our school. I work closely with the fabulous Mrs Cotton to see if there is anything else we need to do in school to help you. I chat to your teachers and teaching assistants to decide what we can do to make life in school even better for you. I might also meet with your parents/carers to chat about how we are helping you in school. Part of my job is to make sure you are safe, as happy as you can be and doing lots of great learning. When I am not in school I am busy looking after my three children. We enjoy; baking, going out for a walk, playing in our garden and riding our bikes. I come to school for a rest!

#### **Mrs Cotton Learning Mentor**

I am Mrs Cotton and I have been working at Woodlands Primary School for 13 years ago. I absolutely love my job as I get to see lots of lovely children every day to help them with anything they may be finding a little bit tricky. I have a lovely room in the Juniors where you can pop in for a chat, a bit of quiet time or for a little snack. We can talk about things that you may be worried about or things that may be making you feel sad or angry, and I always love to hear about things that are going well for you. Sometimes I meet with your parents and carers to talk about anything they may need help with and I work very closely with our SENDCO Mrs Morphet and our two ELSAs: Mrs Wharton and Mrs Wilkinson. We all work together to try to ensure your time at school is a happy one. Outside of school I spend lots of time with my son, meeting up with my friends and travelling to different places.

#### **Mrs Wilkinson ELSA**

My name is Mrs Wilkinson, and I have been part of the Woodlands family for 13 years. As part of the pastoral team, I work across both sites of the school and this year I will be primarily based in upper key stage 2. Give me a wave or a smile if you see me! I love hearing all about the activities and adventures you get up to, helping you to learn new things and getting involved in art and craft activities. When I am not in school, I am studying part time for a degree in 'Youth and Childhood Studies' at the University of Chester. I like spending time with my family. I met Mr Wilkinson nearly thirty years ago and we have two older sons, Jay who is at university and Liam who will be starting sixth form college in September. I also enjoy taking Liam and my eight year old niece to our local Jujitsu club, where I have been part of the team for 15 years. I am really looking forward to working with all of you again in the new school year!

#### **Miss Wharton ELSA**

Hello! My name is Miss Wharton and I have worked at Woodlands Primary School for 6 years as a teaching assistant. I am also ELSA trained which means I get to work with lots of children across the school as well. I live with my fiancé Chris and our 3 children, Casey (17) Kya (13) and Rhys (11). I also have a beagle called Rolo. You might often see me around school out and about walking with my family and dog and we love to walk along the beach. I love spending time with my family doing lots of fun activities and going on new adventures. I am so excited to meet you all and looking forward to our adventure in Reception, we are going to have so much fun.
