Dream, Believe, Achieve – Together Everyone Achieves More
WOODLANDS PRIMARY SCHOOL CURRICULUM OVERVIEW

Our curriculum, and the foundations of our school, will be built upon the core tenets of respect, resilience, empathy, self-awareness, passion for learning ('botheredness'), excellence, communication, and teamwork.

	Intent	Implementation	Impact
<p>Curriculum planning</p> <p>Our curriculum intent will be achieved through:</p> <ul style="list-style-type: none"> • coherent and sequential learning. • Children being inspired to do their best. 	<p>Increase ambition, aspiration and opportunity of young people.</p> <p>Improve knowledge, progress and attainment.</p> <p>Develop and enhance a level of 'botheredness' in children.</p>	<p><u>Using Lit Co:</u></p> <p>The planning is based on reading and interacting with texts that are both rich and engaging, and also age appropriate in addition to being linked to history/geography topics where possible. Each text has a basic, yet progressive, scheme of work associated with it that includes word, sentence, text and punctuation level work for children to grapple with. There is also 'built in' a GD element for writing.</p> <p>All staff have had top quality training by members of the Literacy Company on how to deliver these modules and also moderation sessions in which assessment is considered, consolidated and consistent.</p>	

Dream, Believe, Achieve – Together Everyone Achieves More
WOODLANDS PRIMARY SCHOOL CURRICULUM OVERVIEW

<ul style="list-style-type: none">• Engaging in deep thinking to support decision making.• Experiencing a range of stimulating activity.		<p>We have overlaid our assessment objectives in 'Insight' to match the objectives in the literacy company modules and to that end it makes assessing progress for staff a more manageable task.</p> <p><u>Using White Rose Maths:</u></p> <p>We aim to develop a whole new culture of deep understanding, confidence and competence in maths – a culture that produces strong, secure learning and real progress.</p> <p>We have overlaid our assessment objectives in 'Insight' to match the objectives in the White Rose modules and to that end it makes assessing progress for staff a more manageable task.</p> <p><u>Using Charanga Music:</u></p> <ul style="list-style-type: none">• A complete scheme to teach the national curriculum for music• A growing library of songs, topics, instrument courses and creative apps• Support for the non-specialist for assessment, SEND and personalised teaching and learning. <p>Charanga's digital programmes are underpinned by a confidence-building CPD & Training programme.</p> <p>The visual and audio cues our platform provides let teachers know when to start singing. The songs have a clear melody line so you simply listen and then join in once you feel able. This melody line can be muted once everyone is confident – allowing the children to be the soloists</p> <p><u>Using CoJo's:</u></p> <p>The design of the Character Curriculum embeds our behaviour traits within a number of exciting topics based on amazing characters and aspects of their life stories.</p> <p>Significant heroes/heroines, explorers and adventurers have been identified to support children's understanding of character traits as well as create opportunity and integration into classroom cross curricular work.</p>

Dream, Believe, Achieve – Together Everyone Achieves More
WOODLANDS PRIMARY SCHOOL CURRICULUM OVERVIEW

Each topic has been planned to take place either across one term or to align within other curriculum area topics. All visual and technological stimuli is provided to ensure that the children taking part enjoy and have sufficient time to consolidate and develop their skills, knowledge and understanding as they work on the topic - building their capacity to choose intelligently between decisions that contribute to their character development and specific learning.

Topics are used to support a curriculum framework that guides the direction of learning expectations and progress as well as identify coherent expectations for each child's character learning journey.

The way in which different characters are used to bring to life learning, through a range of cross-curricular areas, will open up a long term source of stimuli on which to extend breadth and depth of our curriculum offer.

The tangible impact on the development of resilience, leadership, communication, empathy and perseverance will be measured using the inbuilt assessment tools in the programme.

This will underpin our character training and is built on 4 principles:

1. Character development is right for every child.
2. Character education will empower young people.
3. Character will inform ethos, direction of learning and culture in school.
4. Character will be developed in partnership with all stakeholders and will be overt in our school mission statement and strap line.

Using RWI:

Read Write Inc program promotes high quality and systematic teaching of phonics and children are inspired to become confident and independent readers. 'Read Write Inc' is a rapid **learn to read** programme that gives children the tools to **read to learn** in future life. Read Write Inc teaches the essential skills of linking sounds and letters together that form words, ensuring that children's reading and writing skills develop early in their education. Read Write Inc develops fluent, enthusiastic readers, writers and confident speakers. The programme exposes children to a variety of text types and genres and it develops children's comprehension skills. Children are taught to read and write letter-sound correspondences quickly and to decode effortlessly, ensuring they read with fluency and expression.

WOODLANDS PRIMARY SCHOOL CURRICULUM OVERVIEW

<p>Behaviour programme</p>	<p>Improve behaviour, attendance, health and wellbeing.</p>	<p><u>Using Pivotal:</u></p> <p>Our behaviour for learning policy is based on positive relationships that are built on mutual respect, understanding, tolerance and trust from all members within our school community. The underlying principle is that the policy is simple, highly effective and consistent. We therefore have a code of conduct that is based on three words: Ready, Respectful and Safe. All adults in our school community are committed to ensuring every child has the right to succeed and all conversations linked to behaviour for learning are rooted in these three words.</p> <p>Underpinning our behaviour for learning policy is Pivotal Education’s ‘5 Pillars of Practice’:</p> <ul style="list-style-type: none"> ➤ Consistent, calm adult behaviour ➤ First attention to best conduct ➤ Relentless routines ➤ Scripting of difficult interventions ➤ Restorative conversations <p>Learners are respected, regardless of their behaviour. Therefore adult behaviour will never be compromised by learner behaviour. Recognition replaces reward – our school focus is on pride not prizes and recognition systems are collective. This aims to ensure all learners are interdependent and succeed in their learning.</p>	
<p>SMSC</p>	<p>Develop and enhance a level of Emotional Intelligence, empathy, resilience and respect in children.</p>	<p><u>Using SMSC school agreed themes (Including RSE):</u></p> <p><u>Using new CWP programme for RSE:</u></p> <p>The Education Act 2002 sets out the statutory duties which all schools, including academies, are required to meet: ‘Every state-funded school must offer a curriculum which is balanced and broadly based and which:</p>

WOODLANDS PRIMARY SCHOOL CURRICULUM OVERVIEW

		<ul style="list-style-type: none">• promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society• prepares pupils at the school for the opportunities, responsibilities and experiences of later life' <p>The DfE released statutory guidance in June 2019 under sections 34 and 35 of the Children and Social Work Act 2017. The guidance covers Relationships and Sex Education (RSE), Relationships Education and Health Education. This new guidance replaces the DfE Sex and Relationships Education Guidance from 2000.</p> <p><u>The statutory guidance has become mandatory in September 2020.</u></p> <p>The expectations on schools are as follows:</p> <ul style="list-style-type: none">• Relationships Education will be compulsory in all primary schools (or those pupils receiving primary education) – this includes academies, free schools and independent schools• Relationships and Sex Education will be compulsory in all secondary schools (or those pupils receiving secondary education) – this includes academies, free schools and independent schools• Health Education will be compulsory in all primary and secondary schools (or those pupils receiving primary or secondary education) – this includes all academies and free schools but not independent schools as PSHE is already statutory in these schools <p>NB - The DfE recommends that all primary schools have a sex education programme. The programme must be clearly stated in the school policy and parents should be consulted. Sex Education (apart from aspects of the science curriculum) is not compulsory in primary schools.</p> <p>CWP is a comprehensive and inclusive resource for teachers and other professionals working in a primary school setting. The 5th edition that we will use this year has been updated to meet the requirements of Statutory Guidance released from the Department for Education on Relationships Education, Relationships and Sex Education (RSE) and Health Education, Regulation 2019.</p> <p><u>Using CoJo's:</u></p>

WOODLANDS PRIMARY SCHOOL CURRICULUM OVERVIEW

		<p><u>Spiritual:</u> a sense of enjoyment and fascination in learning about themselves, willingness to reflect on their experiences.</p> <p><u>Moral:</u> Ability to recognise the difference between right and wrong and to readily apply this understanding in their own lives; interest in investigating and offering reasoned views and ability to appreciate others' viewpoints.</p> <p><u>Social:</u> willingness to participate, cooperating well with others and contributing positively to modern Britain.</p> <p>Cultural: Interest in exploring, improving understanding of and respecting <u>diversity</u>; appreciate the range of cultures within and outside.</p> <p><u>Using 'No Outsiders':</u></p> <p>This scheme provides much needed support for every primary school in the delivery of the objectives outlined in the Equality Act 2010; and in the provision of personal, social, health and economic education (PSHE) for every child. No Outsiders in Our School provides teachers with a curriculum that promotes equality for all sections of the community. But more than that, the resource aims to bring children and parents on board from the start so that children leave primary school happy and excited about living in a community full of difference and diversity, whether that difference is through race, gender, ability, sexual orientation, gender identity, age or religion.</p> <p>Includes 5 lesson plans for every primary school year group (EYFS- Y6) based upon a selection of 35 picture books. Issues addressed include: gender and gender identity, religion, sexual orientation, disability and age.</p> <p><u>Using agreed RE syllabus:</u></p> <p>Through the teaching of RE, children learn the essential knowledge of other religions and worldviews, as well as skills and attitudes such as critical thinking and empathy. This understanding of others' worldviews is an essential first step to enabling each pupil to understand, reflect on and develop their own personal worldview, which is one of the core tasks of education.</p>	
<p>Safeguarding</p>	<p>Maintain a high level of parent/school engagement.</p> <p>Maintain an up-to-date and effective level of</p>	<p><u>Using Project Evolve:</u></p> <p>Project Evolve covers topics such as social media, cyberbullying, gaming, time online, and more. Offering a library of innovative video based learning content, lesson plans and assessments, Project Evolve is fun and creative and updated with the latest social media applications.</p>
