

Woodlands Primary School

Mrs O'Hara
6RO

Hi! I am Mrs O'Hara and I have been working at Woodlands Primary School for nine years now. Like you, I am moving into Year 6 and I am very excited. In school, I mentor University students who want to become teachers and also support Early Career Teachers through their new journey. I have lots of exciting topics ready for you to learn this year including, 'World War 2' and 'Early Civilisation.' I also enjoy reading and history as these were my favourite subjects when I was at school.

When I am not in school, I am usually reading a good book on my kindle with a coffee and cake, running around after my three lovely nephews or doing some shopping at Cheshire Oaks! I also like to spend as much time as I can visiting my family and friends.

I am very excited to be your Year 6 teacher and cannot wait to have lots of fun learning together and helping you to blossom into the best you can be!
